

Chasers Basketball Academy

Dear Community Business,

Thank you for the opportunity to introduce our nonprofit organization, The Chasers basketball team. Our youth basketball team was established this year, 2025. We serve boys and girls from the ages of ten to sixteen. The Chasers goal is to develop our community's youth in basketball skills, teamwork and sportsmanship. We hope to help facilitate travel opportunities for the players and increase their experience with various tournaments. With the help of our board of directors, amazing coaching staff and the dedication of our families and players we are already building a great team and family. We anticipate the league's growth to continually increase year after year.

We are a very new team with and therefore have no reserve funds to help facilitate players. To offer this rewarding experience at an affordable cost to the players, we are reaching out to area businesses, friends and family with the opportunity to become Chasers sponsor.

Your sponsorship dollars will be used to:

- ☑ Keep registration fees affordable for all players
- ☑ Pay for gym rental to facilitate practices each week
 - ☑ Pay tournament fees
- ☑ Help to cover traveling costs for players
- ☑ Purchase uniforms and practice jerseys
- ☑ Provide financial aid opportunities for families in need

While any and every donation is greatly appreciated and needed, we've attached an explanation of our preset sponsorship levels and benefits. The Chasers basketball team serves the greater Tucson area.

The Chasers is a registered 501(c)(3) nonprofit organization, and your donation is tax-deductible. (Federal EIN 39-3029866)

We thank you for your time and consideration in sponsoring our teams. Please contact me to become a sponsor or with any questions.

Respectfully yours,

Chasers Basketball Academy
